

# Westinghouse

## *Property Entry Restrictions*

### Articles **prohibited** on Westinghouse property

---

- Firearms and other weapons<sup>1</sup>
- Explosives
- Incendiary devices
- Consumable alcohol of any kind
- Illegal drugs and associated paraphernalia
- Pets
- Any item prohibited by law

### Activities **prohibited** on Westinghouse property unless authorized by the appropriate level of Westinghouse management

---

- The recording of conversations unless all parties have prior notice that the conversation will be recorded or taped and have given explicit consent.

### In addition and specific to Westinghouse visitors:

---

- The use or possession of USB memory sticks, external hard disks, and other portable data storage devices is prohibited.
- Non-Westinghouse laptops and tablet PCs must be declared at the security entrance, where approval by an appropriate level of Westinghouse management to use the device may be provided.
- Non-Westinghouse laptops and tablet PCs are not permitted to connect to Westinghouse's internal network.

These are the minimum restrictions imposed at all domestic Westinghouse locations. Individual Westinghouse locations may invoke additional restrictions as deemed appropriate.

<sup>1</sup>Subject to applicable state and/or local laws. Firearms and other weapons are prohibited in Westinghouse facilities at all times.
